CRIBS - With the new crib standards that were recently passed **all cribs manufactured before July 23, 2010 are illegal to sell** so Divine Consign cannot accept them. Cribs manufactured between 7/23/10 and 6/28/11 must have certain paperwork in order to be sold. Please contact us if you're wanting to sell a crib from that date range. Cribs manufactured **after 6/28/11** can still be sold.
